Any policy administration fees and associated government charges will not be refunded when You cancel Your insurance.

The amount of Our cancellation fee is \$20 plus government charges (if applicable) and is deducted from any refund We give You. If You do not tell Us (where applicable) Your correct Australian Business Number, Taxable Percentage and GST status any GST liability will be Your own responsibility.

We will not be responsible for any fine, penalty or charge for which You are liable arising out of Your misrepresentation of or failure to disclose Your actual input tax credit entitlement in the settlement of any premium or claims relating to Your Insurance.

Assignment

You must not assign this contract of insurance or any rights under this contract of insurance without Our prior written consent by way of endorsement to the insurance.

Other Insurances

If any Accidental Damage, Theft or Liability covered under Your Contract of Insurance is also covered by another contract of insurance You must give Us details. If You make a claim under one contract of insurance and You are paid the full amount of the claim You cannot claim under another.

If You make a claim under another contract of insurance and You are not paid the full amount of Your claim, where Your claim is accepted under Our contract of Insurance We will pay You the difference.

We may seek a contribution for Your claim from Your other Insurer and to assist this process You must give Us any information We reasonably ask for.

9. To assess Your claim or if We decide to defend You, settle any claim against You or represent You, then You must give Us all the help We need, including help after Your claim has been settled.

Your Excesses

Your Excesses are specified on Your Certificate of Insurance. These are the amounts that You must pay each time You make a claim, even if someone else was using the Mobility Equipment at that time of the Incident. If more than one Excess applies, You will have to pay the total of all Excesses that are applicable. If We determine that Your claim comprises more than one Incident, You will have to pay the applicable Excess(es) for each Incident.

The Excesses that may apply to Your claim are set out below:

Accidental Damage & Theft Excess:

This is the first amount that You must pay on each Accidental Damage & Theft claim. It will be specified on Your Certificate of Insurance. We may direct You to pay the Excess to Us or to the repairer of Your Mobility Equipment or if We make a cash settlement We may deduct the Excess from that amount.

Legal Liability Excess:

This is the first amount that You must pay on each Legal Liability claim. It will be specified on Your Certificate of Insurance. You will pay Us the Legal Liability Excess when You lodge the claim.

Repairing Your Comprehensive Mobility Equipment

If You lodge a claim with Us and We agree to repair Your Mobility Equipment We will manage the repair process for You, returning Your Mobility Equipment to a condition similar to the condition before the Accidental Damage or Theft. We will keep You informed of the progress of the repairs and We will advise You when Your Mobility Equipment has been repaired.

You must not authorise any repair of the Mobility Equipment without Our written consent. We do this to:

- determine the method of repairs; and
- make sure that the repairs are carried out satisfactorily and to make sure that the parts used for repairs are suitable for Your Mobility Equipment.

The repairs cannot be started until We decide whether We will authorise the repairs.

If We do not authorise repairs, We will limit what We pay to the amount that We determine to be fair and reasonable for the repairs. You must allow an assessor appointed by Us to inspect the damage to Your Mobility Equipment for this purpose.

For any repairs that are undertaken to Your Mobility Equipment:

- We will not pay for any modification required by law after the purchase of the Mobility Equipment;
- We may require You to contribute to the cost of the repairs if the repairs to Your Mobility Equipment will leave it in a better condition than it was before the Incident that caused the damage. If You will need to do this, We will let you know if you are required to contribute;
- We will not pay for cosmetic upgrades to increase the value of Your Mobility Equipment, for example, replacing steel wheels with alloy wheels; and
- We will not be responsible for additional costs incurred because of delays in delivery of parts.

Replacement of Damaged Parts

If We are unable to repair the damaged parts of Your Mobility Equipment We will use new, recycled, reconditioned or equivalent parts that are suitable for the age and condition of the Mobility Equipment to return it to a similar condition before the Accidental Damage or Theft.

We will only pay for the replacement of the actual parts that have been damaged, and not the entire set.

For any repairs that are undertaken to Your Mobility Equipment if a part is not available in Australia 30 days after the date Your damaged Mobility Equipment was assessed by Us, We may decide to pay You the cost to repair rather than repair that item. If We intend to do this We will inform You. We will not be responsible for additional costs incurred because of delays in delivery of parts.

Our Rights of Recovery

We have the right to recover from any person who is liable to compensate You for any loss, damage or liability that is covered under this contract of insurance. You must provide Us with Your reasonable assistance to recover any amount We pay under this insurance.

We have the sole discretion to bring conduct, settle or defend of any claim in Your name. If We recover more than the amount We have paid to You or on Your behalf, We will pay You the balance after the deduction of any legal costs that We have incurred.

Salvage

In the event that Your Mobility Equipment is a Total Loss and We have agreed to pay the Sum Insured:

- the damaged Mobility Equipment becomes Our property; and
- We will keep the proceeds of any salvage sale.

Total Loss Claims

In the event that Your Mobility Equipment is a Total Loss and We agree to pay Your claim:

- if We agree We will deduct the amount of any unpaid premium for the Period of Insurance; and
- Your policy comes to an end and there will be no refunds payable for the premium and associated charges for the unexpired portion of the Period of Insurance.
