In the event that there is a failed payment We will:

Where there are any failed instalments, We will charge You the fees incurred by Us for the rejected direct debit from the financial institution.

In the event that You have a claim whilst the payment of Your insurance has not been paid by the due date, it will not be considered until the outstanding payment has been made.

How to Cancel Your Comprehensive Motor Vehicle Insurance

You may cancel Your insurance at any time and it will be effective when We receive Your instructions in writing, verbally or by email.

- fail to pay the premium (and associated charges) for Your insurance;
- failed to inform Us of a significant change in Your circumstances;

Any policy administration fees and associated government charges will not be refunded when You cancel Your insurance.

The amount of Our cancellation fee is \$20 plus government charges (if applicable) and is deducted from any refund We give You. If the refund is less than the fee, a refund will not be issued and We will not charge You an additional amount to cover the difference. Any refund We owe You will be sent to You within 15 business days.

How We Communicate With You

Each electronic communication will be dated and considered to be received by You at the time it leaves Our information system.

When Your Circumstances Change

You must give Us notice as soon as practicably possible of any change to Your Vehicle or any other changes to the information You have provided to Us that might increase the risk insured under this insurance. We may decide We cannot continue to insure You or We may require You to pay an additional premium as a result of these changes. You must pay the additional premium before these changes come into effect.

When Your Contract of Insurance Changes

If You want to make a change to Your insurance, the change becomes effective when We tell You We have agreed to it. We will give You a new Certificate of Insurance.

Your Obligation to Prevent Loss or Damage

It is a requirement of this insurance that You must take all reasonable precautions to prevent injury, loss or damage. This requirement will extend to securing Your Vehicle against unauthorised access when it is unattended by removing Your keys and locking Your Vehicle.

Goods & Services Tax

The premium payable for this insurance is subject to GST.

When We pay a claim Your GST status will determine the amount that We pay.

We will pay the Sum Insured or the various limits specified in Your PDS and Your Certificate of Insurance inclusive of GST.

However, if You are, or would be, entitled to claim an input tax credit We will reduce any claim paid by the amount of such input tax credit. If You

do not tell Us (where applicable) Your correct Australian Business Number, Taxable Percentage and GST status any GST liability will be Your own responsibility.

We will not be responsible for any fine, penalty or charge for which You are liable arising out of Your misrepresentation of or failure to disclose Your actual input tax credit entitlement in the settlement of any premium or claims relating to Your Insurance.

Renewing Your Insurance

Not later than 14 days before Your insurance expires, We will send You a renewal notice indicating the expiration date of the current Period of Insurance and whether or not We invite You to renew Your Blue Badge Comprehensive Motor Vehicle Insurance. We may do this by sending You a renewal notice electronically, including via email or SMS text message to Your mobile phone (where permitted by law), or by posting it to the last known address for You.

To make payment by the due date, ensure that Your credit card authorisation is current and valid or follow the instructions in Your renewal notice for other forms of payment.

Your Excesses

Your Excess is specified on Your Certificate of Insurance and is the amount that You must pay each time You make a claim, even if someone else was using the Vehicle at that time of the Incident. If more than one Excess applies, You will have to pay the total of all Excesses that are applicable. If We determine that Your claim comprises more than one Incident, You will have to pay the applicable Excesses for each Incident.

The Excesses that may apply to Your claim are set out below:

Basic Excess

This is the first amount that You must pay on each claim. The Basic Excess is specified on Your Certificate of Insurance.

Young Driver Excess

If at the time of the Incident Your Vehicle was being driven by a person under the age of 25, You must pay the Young Driver Excess in addition to the Basic Excess. The Young Driver Excesses are specified on Your Certificate of Insurance.

Undeclared Young Driver Excess

If at the time of the Incident Your Vehicle was being driven by a person under the age of 25 who was not declared and shown on Your Certificate of Insurance as a driver, You must pay the Undeclared Young Driver Excess in addition to the Young Driver and the Basic Excess. The Undeclared Young Driver Excess is specified on Your Certificate of Insurance.

Inexperienced Driver Excess

If Your Vehicle was being driven by a person 25 years of age or over who has not held an

Australian Drivers Licence for more than 2 years, You must pay the Inexperienced Driver Excess in addition to the Basic Excess. The Inexperienced Driver Excesses is specified on Your Certificate of Insurance.

When You Will Not Have To Pay An Excess

You will not have to pay any Excess if We decide that the driver of Your Vehicle at the time of the Incident did not contribute to the cause of the Incident or Your Vehicle was damaged whilst parked, and You provide Us with the:

- name, address and licence details of each of the parties involved; and
- registration details of any other Vehicle involved in the Incident.

You will not have to pay a Young Driver Excess, Undeclared Young Driver Excess or an Inexperienced Driver Excess:

- if the driver is using the Vehicle without Your permission and is found guilty of the Theft or illegal use of Your Vehicle;
- if the driver is paid by You to repair, service or test Your Vehicle;
- if the driver is a valet attendant or attendant at a car park;
- if the driver is a learner driver accompanied by the holder of a full unrestricted Australian Drivers Licence;
- if the driver is Your carer or support worker;
- for claims involving fire, Theft and Malicious Damage.

Repairing Your Vehicle

If You lodge a claim with Us and We agree to repair Your Vehicle:

- 1.** You may nominate a repairer of Your choice subject to:
 - the repairer being appropriately licensed;
 - the provision of a quote for repairs; and
 - you allow Us to assess Your Vehicle prior to authorising repairs.

2. We may require a second quote from another repairer that We specify if We determine the first quote was not reasonable;
3. We will then choose to:
 - a. authorise the repairs at Your repairer of choice; or
 - b. authorise the repairs at a repairer that We both agree; or
 - c. pay You the Reasonable Costs to repair Your Vehicle.
4. We will provide the final written authorisation on who will repair or dismantle the Vehicle;
5. We will pay all Reasonable Costs to repair Your Vehicle directly to the repairer We have authorised to carry out the repairs.

For any repairs that are undertaken to Your Vehicle:

- We may require You to contribute to the cost of the repairs if the repairs to Your Vehicle will leave it in a better condition than it was before the Incident that caused the damage. If You are required to do this, We will let You know;
- We will not pay for cosmetic upgrades to increase the value of Your Vehicle, for example, replacing steel wheels with alloy wheels;
- We will not be responsible for additional costs incurred because of delays in delivery of any parts.

Lifetime Repair Guarantee

We will provide a lifetime guarantee on the workmanship and materials used in any repairs that We authorise to Your Vehicle for the period that You own or lease the Vehicle. This guarantee is not transferable to subsequent owners of Your Vehicle.

If there is concern about the quality of repairs completed by a repairer that We authorise, contact Us and We will organise any necessary repair corrections with the repairer. Please do not undertake any additional work without Our authorisation as this may mean that Our guarantee is not available.

Replacement of Damaged Parts

If We are unable to repair the damaged parts of Your Vehicle We will use new, recycled or reconditioned parts that meet the requirements of the Australian Design Rules. If such parts are not available or appropriate for Your Vehicle, We may use equivalent parts from an alternative supplier.

We will only pay for the replacement of the actual parts that have been damaged, and not the entire set.

If the Vehicle's identification such as the VIN plate or label has been damaged and We cannot source a replacement from the manufacturer We will try to get written confirmation of Your Vehicle's identity from the manufacturer. We will then repair Your Vehicle without replacing any damaged identification unless the law requires that We do so.

For any repairs that are undertaken to Your Vehicle, if a part is not available in Australia 30 days after the date Your damaged Vehicle was assessed by Us, We may decide to pay You the cost to repair rather than replace that item. If We intend to do this We will inform You. The most that We will pay will be the cost of an equivalent part or its last listed price or value.

We will not be responsible for additional costs incurred because of delays in delivery of parts.

Our Rights of Recovery

We have the right to recover from any person who is liable to compensate You for any loss, damage or liability that is covered under this insurance. You must provide Us with Your reasonable assistance to recover any amount We pay under this insurance.

We have the sole discretion to initiate conduct, settle or defend legal proceedings for any claim in Your name. If We recover more than the amount We have paid to You or on Your behalf, We will pay You the balance after the deduction of any legal costs that We have incurred.

Salvage

In the event that Your Vehicle is a Total Loss and We have agreed to pay the Sum Insured:

- the wreckage of Your Vehicle becomes Our property;
- We will keep the proceeds of any salvage sale.

Total Loss Claims

In the event that Your Vehicle is a Total Loss and We agree to pay Your Claim:

- if We agree We will deduct the amount of any unpaid premium for the Period of Insurance;
- You will pay Us any refunds obtained from the cancellation of the registration and compulsory third party insurance;
- Your policy comes to an end and there will be no refunds payable for the premium and charges for the unexpired portion of the Period of Insurance.
